

January 19, 2009 Park Board Meeting

In attendance: Cindy Kimm, Deana Wright, Tom Kurtz, Peg Garton, Marggie Faley

Meeting called to order by Cindy Kimm as 1:03PM

Minutes of January 5 meeting approved as distributed.

Budget will be discussed in a future meeting

Maintenance

Peg reported that the Santa billboard in L-C Park will be removed and placed in storage this week. Peg presented a letter from the Town Council requesting the Park Board pay for an attachment for the mule they purchased. Members agreed to continue Park Board's ruling on this request to stand as communicated previously by all members to the Town Council.

Park Board Logo

Sketches of the proposed Leo-Cedarville Parks logo were distributed for member's discussion. Members reviewed and made suggestions.

Riverside Gardens

Invoice for payment from Recreation Unlimited was received for completion of installing the Grand Gazebo at Riverside Gardens. One pergola and its railing still need to be installed. Tom made the motion to withhold any payment to Recreation Unlimited until the job is complete. Deana seconded. Motioned passed by all members.

Electrician is completing the layout of electrical mapping of both parks. It is available for members. Cindy will check with the Town Clerk/Treasurer about insurance for the parks to see if all new additions are covered regarding liability and facilities.

Master Plan

Tom distributed the Park Board Master Plan outline for all members. The outline was discussed. It was noted that some elements of the plan are complete. The remainder of the elements will be developed by individual members. Each will take a portion of the plan and develop the topic.

Park Events

The Board brainstormed ideas for events in the parks. Our next event will be a Coloring Contest for children. The contest will be held at Easter time with a "Spring in the Parks" theme.

Marggie distributed copies of information she gained about the cost of plantings for the landscaping for the Grand Gazebo. The board discussed these and how we will work this with the budget. Marggie will be contacting organizations to secure some grant money for plantings.

Meeting adjourned at 3:13PM

Next meeting February 2, 2009
