Maintenance Report:

Work will begin on Front door replacement at L-C Park pavilion. Vandalism at the pavilion was noted and more care will be taken to lock the pavilion. Fall Clean up is looking for volunteers for the November 22, 2008 event.

The marble monument at the new flag pole location will be moved to storage. The Board is exploring another location for the monument.

Tom is working on a draft for a community survey for the Parks. Tom also shared a review of the donation of a Rainbow Play Set. The board discussed the suitability of this equipment for the parks and resolved that it does not meet CSPC safety guidelines for community parks.

The board discussed the finalization of resolutions for the Park Board. Development of a complete file of resolutions by the members is ongoing. Tom started an Excel Inventory of LC Park commemorative bricks.

The board discussed the additions and revisions to the developing Web Pages for the Community Web site. In coordination with this revision, physical addresses have been assigned to the Cedarville boat launch (9825 Pearl St) and the DNR boat launch (10901 Grabill Rd.) Tree Survey

The Board discussed Arborwise report with specifics regarding removal and maintenance needed for the trees surveyed in L-C Park. It was agreed to follow through with a proposal from Pence Graves to remove trees that are a danger to the park and to pursue planting new trees next year. The Board agrees to monitor other trees of interest. Cindy will contact the Arborist to advise him of our decision.
