Complaint Investigation Procedures

The Title VI Coordinator will make a determination to accept, reject or refer to the appropriate federal/state agency a complaint within seven (7) calendar days of its receipt. The Town will determine whether the person or entity purportedly engaged in the alleged discriminatory act is a Town sub-recipient (the legal entity to which the Town made a sub-award and which is accountable to the recipient for the use of the funds provided). If the complaint does not specifically mention that the alleged discriminatory factor is a Town sub-recipient, the Town may presume so in deciding whether to accept the complaint for further processing.

These procedures apply to all complaints filed under Title VI of the Civil Rights Act of 1964 and its related statues, regulations and directives. These procedures do not affect the right of the Complainant to file formal complaints with other state or federal agencies or to seek private counsel for complaints alleging discrimination. These procedures are part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the Complainant.

The Town will make every effort to facilitate a voluntary early resolution of complaints at the lowest level possible. The Town may exercise the option of informal resolution at any stage of the process. The Title VI Coordinator will make every effort to pursue a resolution of the complaint.

The Title VI Coordinator may refer all complaints against the Town to INDOT or the FHWA or the appropriate Federal agency.

A complainant's representative may also file a complaint on behalf of such a person.

Timeliness of Complaints

Corrective Action

If the Town recommends corrective action, the Town will give the Respondent 30 calendar days to inform the Town of the actions taken for compliance. The Title VI Coordinator shall monitor Respondent's corrective action compliance. Corrective action may include actions that the Respondent will complete at a future date after the initial 30 days and must include projected time in which the Respondent will complete the action. If the Respondent has not taken the recommended corrective action within the 30-day period allowed, the Town will find the Respondent to be in noncompliance with Title VI and its implementing regulations. Noncompliance not corrected by informal means as described above may be subject to sanctions as per 49 CFR § 21.13.

Pre-Investigative/Administrative Closures

It is the general practice of the Town to investigate all complete complaints; however, the Town may administratively close a complaint at its discretion. The types of complaints that may be administratively closed and will not be investigated include, but are not limited to, the following:

- Untimely complaints filed more than 60 days after the alleged discriminatory acts;
- Complaints voluntarily withdrawn by the Complainant;
- Complaints in which the investigation has been impaired by the Town's inability to locate the Complainant;

- Complaints containing allegations that are foreclosed by previous decisions by the Federal courts, Department of Justice or the Town policy determinations;
- Complaints filed for complainants or parties who refuse to cooperate with the investigation and whose lack of cooperation substantially impairs the completion of the investigation. In such circumstances, the Complainant should be contacted and advised that their lack of cooperation has hindered the investigation. Furthermore, the Complainant must be advised that continued failure to cooperate may result in an administrative closure of the complaint without further investigation;
- Complaints transferred to another agency for investigation; and
- Complaints where the death of a Complainant makes it impossible to investigate the allegations fully or the death of the Complainant forecloses the possibility of relief because the complaint involved potential relief solely for the Complainant or injured party.

The Town shall notify Complainants in writing via certified mail when a determination is made to administratively close a case without further investigation. The notification shall include an explanation of the basis for the administrative closure.

Appeals Procedures

The Complainant has the right to appeal to INDOT any determination that results in an unsubstantiated claim. The Town will convey to the Complainant the procedures for filing the appeal to INDOT along with the Letter of Findings. The procedure for filing an appeal with INDOT is:

- The Town will forward the appeal and the record within seven (7) calendar days to INDOT for review.
- INDOT has 30 calendar days after the receipt of the appeal to complete its review.
- Written findings of INDOT are then sent to the Complainant and the Town Council.

Confidentiality

In accordance with DOT Order 1000.12, the Town shall keep all complainants' identities confidential except to the extent necessary for carrying out an investigation. If an investigator determines that it is necessary to disclose the Complainant's identity to the Respondent or a third party the investigator must first obtain Complainant's written permission. Furthermore, the Town shall obtain a Complainant's written consent before providing a copy of the complaint to the Respondent or a third party.

Title VI Civil Rights Compliance Reviews

Town of Leo-Cedarville, Indiana performs annual reviews to determine overall compliance with Title VI of the Civil Rights Act of 1964, which prohibits discrimination against person(s) race, color, national origin, disability, religion, sex, sexual orientation, gender identity, age, low income status or limited English proficiency in programs or activities, receiving Federal financial assistance. Town of Leo-Cedarville performs annual reviews through interviews and document reviews within each department. (See Exhibit 5 Compliance Review Form).

Limited English Proficiency (LEP) Plan

This Limited English Proficiency Plan has been prepared to address Town of Leo-Cedarville, Indiana responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, U.S.C. 2010, and its implement regulations provide that no person shall be subjected to discrimination on the basis of race, color, national origin, disability, religion, sex, sexual orientation, gender identity, age, low income status or limited English proficiency under any program or activity that receives federal financial assistance.

Executive Order 13166, titled *Improving Access to Services for Persons with Limited English Proficiency*, indicates that differing treatment based upon a person's inability to speak, read, write or understand English is a type of national origin discrimination. It directs each federal agency to publish guidance for its respective recipient clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies which receive federal funds, including all Town of Leo-Cedarville departments and divisions receiving federal grant funds.

In developing the plan while determining the Town of Leo-Cedarville's extent of obligation to provide LEP services, the Town of Leo-Cedarville undertook the U. S. Department of Transportation's four-factor analysis which considers the following factors:

1. The number or proportion of LEP person in the service area who may be served or are likely to encounter a Town program, activity, or service.

The Town of Leo-Cedarville has a population of 3,767 based on the 2010 U.S. Census. The total population for the Town of Leo-Cedarville 5 years of age and older is 3,452 based on the 2012-2016 5 Year American Community Survey. The 2012-2016 5 Year American Community Survey determined that 62 (1.8% of the Town's population) persons in the Town of Leo-Cedarville have limited English proficiency; that is, they speak English "less than well". The Spanish language was the largest non-English speaking language group. Based on the 2012-2016 5 Year American Community Survey there were 62 (1.8% of the Town's population) respondents age 5 and older identified as speaking the Spanish or Spanish Creole language that spoke English "not well" or "not at all".

2. The frequency with which LEP individuals come in contact with a Town program, activity, or service.

The Town of Leo-Cedarville will be implementing the LEP Plan on January 1, 2018 therefore the Town will assess the frequency at which employees have or could have contact with LEP persons over the next year.

3. The nature and importance of the program, activity, or service provided by the Town to LEP community.

The majority of the population, 94.7% in the Town of Leo-Cedarville speak only English. Based on the 2012-2016 5 Year American Community Survey the largest geographic concentration of any one type of LEP individuals within the Town of Leo-Cedarville's service area is Spanish or Spanish Creole.

4. The resources available to the Town and overall cost to provide LEP assistance.

This will be a goal in the upcoming year for the Town of Leo-Cedarville to investigate and select a resource for interpreting and document translation service that best serves the needs of the Town of Leo-Cedarville.

Language Assistance

A person who does not speak English as their primary language and who has a limited ability to read, write, speak or understand English may be a Limited English Proficient person and may be entitled to language assistance with respect to the Town of Leo-Cedarville's programs and activities. Language assistance can include interpretation, which means oral or spoken transfer of a message from one language into another language and/or translation, which means the written transfer of a message from one language into another language. The Town of Leo-Cedarville will determine when interpretation and/or translation are needed and are reasonable. How the Town of Leo-Cedarville staff may identify if an interpreter is needed or if an LEP person needs language assistance:

- Examine records to see if requests for language assistance have been received in the past, either at meetings or over the phone, to determine whether language assistance might be needed at future events (Exhibit 10)
- Have Language Identification Flashcards (Exhibit 11) available at Town events near the registration table and at customer service areas easily accessible to the staff. Individuals self-identifying as persons not proficient in English may not be able to be accommodated with translation assistance at the time, but it will assist in identifying language assistance needs for future events.

Language Assistance Measures

Although there is a very low percentage in the Town of Leo-Cedarville of LEP individuals, that is, persons who speak English "not well" or "not at all", the Town of Leo-Cedarville will strive to offer language assistance using the following measures:

- If an individual asks for language assistance and the Town of Leo-Cedarville determines that the individual is an LEP person and if language assistance is necessary to

provide meaningful access. The Town of Leo-Cedarville has the discretion to determine whether language assistance is needed, and if so, the type of language assistance necessary to provide meaningful access.

- When an interpreter is needed, in person or on the telephone, staff will attempt to determine what language is required and access the language interpreting service provided to the staff.
- The Town of Leo-Cedarville will periodically assess the need for language assistance based on requests for interpreters and/or translation.
